

INFORMATION:

This End User License Agreement (“EULA”) is a legal agreement between you (the “Licensee”) and Javier Unknos, the owner and provider of the Typeface, accessible through the official website at www.javierunknos.com. By requesting, receiving, downloading, installing, or using the digital typeface software, you accept and agree to the terms of this agreement. Please read this agreement carefully before proceeding.

01. GRANTING OF LICENSE

- 1.1 The license is granted upon payment of the full purchase price.
- 1.2 The Typeface is provided in the specified format as indicated on the website. Usage of the Typeface requires the ability to process the PostScript-flavored OpenType-Font (.otf) file type in which the font is delivered.

02. RIGHT OF USE

- 2.1 The license is granted without temporal or geographical restrictions.
- 2.2 The license is non-exclusive and authorizes the Licensee to use the Typeface for both personal and commercial purposes.
- 2.3 The number of devices for desktop use or website visitors for web use is based on the licenses purchased, as indicated on your invoice. Additional devices or visitors require the purchase of an extra license.
- 2.4 For web use, the Typeface must be self-hosted using @font-face on servers under your control to serve the specified number of visitors. For additional web usage or requirements, please contact Javier Unknos for the appropriate license.

- 2.5 Creation of a single backup copy of the font is allowed.
- 2.6 License transfer to another company or customer is not possible and requires consent from Javier Unknos.
- 2.7 Resale of the license or the font itself by any means is prohibited.
- 2.8 The licensee is responsible for implementing measures to ensure compliance with usage limitations.
- 2.9 Any infringement of this license agreement may result in the immediate termination of the right to use the font and legal action to recover damages caused by the infringement.

03. FORBIDDEN MODIFICATIONS

- 3.1 Modification of the font is not allowed. Commissioning a third party for font modification is also prohibited.
- 3.2 Changes for printed works or digital files (e.g., JPEG files) are allowed for purely creative purposes without affecting the font file itself.
- 3.3 For desired changes to the entire typeface or font, please contact Javier Unknos.

04. LEGAL CONSEQUENCES OF INFRINGEMENTS

- 4.1 In case of infringement, Javier Unknos may, in addition to other rights, demand a surcharge of 100% for unauthorized use, along with an appropriate license fee.
- By using the Typeface, you agree that you have read this EULA and agree to the terms stated.
